### Step Up and Serve Scholarships open to Montana's High School Seniors

Applications are now being accepted for Hopa Mountain's *Step Up and Serve* Scholarship Program, which celebrates and recognizes Montana's high school seniors who voluntarily serve their neighbors and communities. In May of 2007, Hopa Mountain will award twenty \$1,000 scholarships through a competitive application process to graduating seniors who demonstrate outstanding community service. The *Step Up and Serve* Scholarships, provided by the Student Assistance Foundation, will be awarded directly to the university, tribal college, community college, vocational or technical school of the student's choice. Students may apply for a scholarship or be nominated. All scholarship winners will be publicly recognized for their commitment to service and civic engagement. *Step Up and Serve* Scholarship applications are available on-line at [www.hopamountain.org](http://www.hopamountain.org). All applications must be received by May 14, 2007.

### International Programs

We still have two boys left to place for the summer, both aged 13, and a female adult chaperone. We also have a Japanese high school boy to place (and maybe a FLEX student, but I think I have him placed – I say with my fingers crossed). Finally, we need host families for IFYEs. As a reminder, the families that host summer youth must have a child that is the same gender as the delegate they host and preferably is within two years of age. None of the other programs require the families to have children in the home, but I think it's beneficial if they do for the high school program. A host sibling helps the high school student adjust to his/her new school more easily. We are up against a deadline, May 15, so I really appreciate any help you can give. If you are interested or know of a family that may be interested, please contact Stephanie Davison at 994-3502 or e-mail her at [sdavison@montana.edu](mailto:sdavison@montana.edu).
